Who Are We

Vertical Solutions is a leading provider of comprehensive elevator solutions in the Maldives. We leverage the diverse expertise of our seasoned elevator industry professionals to deliver high-quality services, ensuring the seamless vertical mobility of your building. Our comprehensive suite of services encompasses new elevator installation, robust and reliable maintenance

programs, and the supply of premium replacement parts. Whether your needs involve high-security government facilities, operational efficiency for private enterprises, or enhanced convenience for residential buildings, we offer tailored solutions for every vertical transportation requirement.

**Leading provider
of comprehensive
elevator solutions
in the Maldives.**

A key to our success is our unwavering commitment to continuous improvement. Our team consists of highly skilled technicians with extensive experience in all aspects of elevator maintenance and repair. Led by a dedicated management team with proven expertise in implementing cutting-edge strategies and optimizing processes, we provide unparalleled elevator solutions.

Partnering with Vertical Solutions grants you access to a team dedicated to operational excellence. We prioritize meticulous attention to detail and ensure clear communication throughout every project, keeping you informed and actively involved in the decision-making process.

Highly skilled technicians with extensive experience in all aspects of elevator maintenance and repair. .

Our Leadership

Dr. Hassan Saeed
Managing Director

Dr. Hassan Saeed brings a wealth of experience to Vertical Solutions. A distinguished lawyer and former Attorney General, Dr. Saeed also leverages his entrepreneurial spirit as the Managing Director of Premier Property. He plays a key role in shaping the company's development and providing strategic direction.

Abdul Raheem
Director

Leveraging his operational experience, Abdul Raheem brings a notable background to Vertical Solutions. Having served in the President's Office and as the Former Minister of Fisheries and Agriculture, he possesses a deep understanding of operations and he ensures Vertical Solutions runs smoothly and efficiently.

Abdulla Sawad
Director

A leading entrepreneur in the Maldives, Abdulla Sawad leverages his extensive experience at the helm of two successful companies, Leo Trading and Sas e Construction. This deep understanding of the Maldivian business landscape allows him to provide invaluable strategic oversight for Vertical Solutions.

Hassan Saeed
Director

Hassan Saeed brings diverse expertise in trading and operations management to Vertical Solutions. Being a Director at Leo Trading, he possess rich experience in efficiency and provides valuable insights and strategic guidance, contributing significantly to the Vertical Solutions' decision-making processes.

Imjad Jaleel
Company Secretary

Imjad Jaleel possesses his extensive experience in public relations, leadership, and operations management. As Company Secretary of Vertical Solutions, he plays a pivotal role in maintaining compliance and fostering a culture of best practices that enables Vertical Solution to maintain efficiency.
